06/04/2021 23:42	[redacted]	Entry Created	**Entry ID** 14338506	**Station** Ladbroke Grove	**Entry Type** Incident	**Entry Description** Driver of Train 202 sounded whistle twice whilst coming into platform 1. Went to meet with driver who reported a customer coming up from the ramp at the tail end of platform 1. Customer was making his way back down the platform so I spoke with customer as to why was he on the ramp and he said he had dropped his wallet and mistakenly kicked it down the ramp so went to collect it. I explained how dangerous that was to his own safety and the shock it can cause the driver. Customer apologised and left the station. Welfare check done on the driver who was fine and ok to carry on as normal.	**Restricted** None
