Hi Martin

Any feedback on the engagement brief at all? I have a fee proposal from Sustrans so would like to get this confirmed this week.

Hi [redacted]

Thank you for sending this through. I will have a look into this today.

Meeting with Buses this afternoon to discuss the Bus FIA for Lido Junction, will let you know any updates.

In the meantime, we had an enquiry about WELN via an Assembly Member. Please let me know if you require any further coordination on such enquiries. This one seems to have been in response to an article in Ealing Today earlier this month.

Best regards,
Martin
