Hi [redacted]

Apologies for my slow response. I think this week may be out for me now I have back to back meetings tomorrow and [redacted] I could do anytime next Wednesday 16th until 2pm (and wed would be my preference) or Monday/Tuesday should be doable but I'm out on site so will just need to join the meeting on my phone from site but that shouldn't be a problem.

Kind regards,

Claire Farrow

Subject: West Ealing Livable Neighborhood - Scheme Restart

Hi Claire,

Hope you are keeping well.

Funding has recently been confirmed to restart the development of the West Ealing Liveable Neighbourhoods (WELN) scheme. Back in May you worked with my colleague [redacted] (who has now left Steer) to progress the Future Baseline models through MAP. We are now looking to commence modelling of the proposed scheme, so given the delay on moving on to this stage it would be good to speak on Teams to go through the scheme and requirements from your side to get the MAP and the engineering checks kicked-off.

Could you let me know please of times this week and next that you are free for a call. Is there anyone else from TfL that we should include? E.g. Engineering?

Thanks,
