Hi

Sorry for the delay, just saw the emails.
See attached drawings, the 201 is with the diagonal and 202 & 203 are just vehicle tracking drawings.
The LIDO UPDATE one is the latest design from PCL, without the diagonal.

Thanks,

Hi Martin

Apologies, I can't access my files at the moment.

[redacted] are you able to send through the two options for the Ludo Junction (with and without scrambled crossing) to TfL this afternoon?

Best wishes,

[redacted]

Subject: Bus FIA - Design Drawings?

Hi [redacted]

I am meeting with Bus Client Team this afternoon (14h) to go through the Bus FIAs. They asked for drawings of the two options.

Would you be able to send these to me as PDFs?

Only if you have them at hand and no worries if not – the proposals were shown in different presentations which I have shared.

Many thanks,
Martin
