FORMAL ROUTE TEST AGENDA
Route 204

Date: 18 July 2021

Time: 1300

Location: Edgware Station

Vehicle: 10.9m Double Deck vehicle (electric)

Expected attendees

- Gareth Holmes — Performance Team, TfL
- Joshua O'Donnell — Performance Team TfL
- Bryan Nicholas — Service Delivery, TfL
- Monica James — Service Delivery, TfL
- [redacted] — Metroline

1. Background

Route 204 operates between Sudbury Town Station and Edgware Station with 10.9m electric vehicles.

2. Route test

The purpose of the route test is to look at how viable it will to use 10.9m long BYD/ADL Enviro 400 City EV double decker buses on the entirety of the 204. This will be used for a new contract that next starts next year.

- Please could you ensure that you bring a hi-visibility tabard/jacket to the route test. If you require one please let me know in advance.
- Social distancing, where possible, must be maintained throughout the Route Test
- If you have a mobile telephone, please forward your number so that in the event of any unforeseen circumstances you can be contacted on the day of the test.
- Unless otherwise agreed, the maximum number of attendees for a Route is 6 people.
- Please could you ensure that suitable clothing and footwear is worn on the route test.
- Any changes to the attendants of a Route Test, please let me know in advance.
- During the route test please stay as a group to ensure all comments are heard and noted.
- If you have any comments regarding the above, please contact Joshua O'Donnell on [redacted] on the day. * CentreComm's direct telephone number is [redacted]
