FORMAL ROUTE TEST AGENDA
Route 226

Date: Wednesday 24th November 2021

Time: 10:30 AM

Location: Park Royal Garage

Vehicle: 10.9 metre Electric Single deck

Expected attendees

- Johnny Vas — Performance Manager, TfL
- Monica James — Service Delivery Manager, TfL
- Lin Moss — Service Delivery Manager, TfL
- Ian Ford — Service Delivery Manager, TfL
- [redacted] — Bus Priority Manager, RATP

1. **Background:**

   Route 226 operates between Ealing Broadway Station, Haven Green and Golders Green Station using 10.2m single deck dual door buses. The route is currently operated by Metroline. From the 15th October 2022 a new contract will be in place and this will be operated by RATP using single deck electric buses.

2. **Purpose of the route test:**
   The purpose of the route test is to test the suitability of operating 10.9m Electric, single deck buses on this service.

- Please could you ensure that you bring a hi-visibility tabard/jacket to the route test. If you require one, please let me know in advance.
- Social distancing, where possible, must be maintained throughout the Route Test
- Face coverings should be worn at all time on the Route Test
- If you have a mobile telephone, please forward your number so that in the event of any unforeseen circumstances you can be contacted on the day of the test.
- Unless otherwise agreed, the maximum number of attendees for a Route Test is **6 people** whilst social distancing is in place.
- Please could you ensure that suitable clothing and footwear is worn on the route test.
- Any changes to the attendants of a Route Test, please let me know in advance.
- During the route test please stay as a group to ensure all comments are heard and noted.
- If you have any comments regarding the above, please contact Johnny Vas on [redacted] on the day.
- NMCC's direct telephone number is [redacted].
