Thanks [redacted]. We will review and get back to you.
Please see attached details of the final changes we would like to make to the questionnaire in case you had time to look over ahead of the meeting tomorrow. The changes are written in red.
[redacted] If there's time tomorrow it's something we would like to discuss to see if you have any advice based on what we're trying to get to!
Thank you,
Hannah

Subject: LTDS 22/23 - Documents for review
Hi both,
We have been reviewing the documentation that we send to respondents as part of LTDS. We will be updating Kantar to Kantar Public, and also the list of charities once we have agreed the new ones for use in 22/23. We will also update the "stats" contained in the leaflet to make sure they are up to date.
Can you review the attached and advise any changes you wish to make, I know we updated the images in the leaflet a couple of years ago – are you happy with these do you feel they need to be refreshed again?
Thanks
