OK great, thanks Paul. Good to know that it doesn't operate in a congestion charge zone.

Cheers!

if by TfL cordon charge they mean congestion charge, we pay them for all vehicles that are required to (i.e not the EAVs as they are classified as pedal assisted bicycles).

Worth noting zoom doesn't operate in the congestion charge zone either.

Thanks,

Hey [REDACTED]

We've posted the video on LinkedIn and had a query below.

Do you know the answer?

Paul

Hi Paul,

We've received questions about Ocado Zoom. It's potentially not worth engaging with them but if we get these comments on LinkedIn, we will absolutely get them (and more!) on Twitter.

If you're speaking to the Ocado Zoom team about when this video is going out, please can you see if we can get answers to some of these questions so we know how to respond if we do decide to?

Thanks,

Rosie
