# Event Details

Contractors will be carrying out resurfacing work on the A23 slip southbound ). The road will be closed to all traffic but buses will be accommodated through the closure

Route 405 **MUST wait** at the last bus stop before the closure BP3014

- Dean Lane where a TM operative will be on site

Drivers and passengers will face a short wait at the bus stop whilst the TM Operative calls through to site so that they can prepare to allow buses through the closure

**Please follow TM operative instructions on site at all times and show care and patience whilst waiting**
