[REDACTED]

Sorry about the delay in getting back to you.

Both [REDACTED] and I would struggle with that time. We'll feed back (email or call) following our session with [REDACTED] on Monday. Depending on the outcome of Monday's discussion, it might be sensible to set up a meeting, but let's wait till next week to decide.

Helpful session with [REDACTED] yesterday. We've now got the engineers working through the detail, and will come back with thoughts next week.

Regards,

Graeme

[REDACTED]

Thanks again for the session this morning. It was very worthwhile, and we appreciated the candour.

There's clearly a huge amount to do. This evening [REDACTED] and I have been discussing the resource implications. We'll come back to you with suggestions on how you might want to take forward the work to develop the proposals and the economic case.

There's only one other update. I had thought [REDACTED] and I were due to meet [REDACTED] on Monday. We're actually seeing him on Monday 5 November. Perhaps we can catch up later that week.

Regards,

Graeme
