 - 2.1.2 provide the framework to administer each Call-Off Contract; and
 - 2.1.3 set out the obligations of the Parties.
- 2.2 The Services that may be requested by the Authority and provided by the Service Provider are of the type described in Schedule 3 or as more particularly described in each Call-Off Contract. The Authority’s requirements may vary and this Agreement shall not place the Authority under any obligation to procure the Services from the Service Provider at a particular time or at all. This Agreement is not an exclusive arrangement and nothing in this Agreement shall operate to prevent the Authority from engaging any other organisations or persons to provide services similar to or the same as the Services.
- 2.3 Clause 3 sets out the procedure by which the Parties may enter into a Call-Off Contract. Each Call-Off Contract shall be a binding agreement on the Parties and shall incorporate the terms and conditions of this Agreement.

3. Call-Off Procedure

- 3.1 At any time during the duration of this Agreement, the Authority may identify Services which at its sole discretion it wishes to let under the terms of this Agreement.

- 3.2 Where the Authority opts to appoint the Service Provider direct without the need for a Mini-Competition, it will issue to the Service Provider a Request Form substantially in the form set out in Schedule 5A, specifying the Services to be provided, in which event:
- 3.2.1 the Service Provider shall promptly confirm receipt of such Request Form;
 - 3.2.2 the Service Provider shall respond to the Request Form by completing a Proposal as an offer capable of acceptance, or by notifying the Authority in writing that it does not intend to submit a Proposal. The Service Provider shall so respond to the Authority by the date specified in the Request Form or, if no such date is specified, within 10 Business Days of receiving the Request Form, or by such other date as may be agreed with the Call-Off Co-ordinator. A Proposal must remain valid for at least 90 Business Days from the date it is submitted to the Authority;
 - 3.2.3 after receipt of an acceptable Proposal, the Authority will forward to the Service Provider two copies of the Call-Off Contract. The Service Provider shall sign both copies and return the same to the Authority within 10 Business Days of receipt. The Call-Off Co-ordinator will arrange for both copies of the Call-Off Contracts to be signed by the Authority and will send a completed signed Call-Off Contract to the Service Provider.
- 3.3 Where the Authority opts to undertake a Mini-Competition it will issue to those Service Providers on the framework that are the subject of this Agreement, that it assesses in its sole discretion, are capable of providing the Services to the Authority's satisfaction, a Request Form as set out in Schedule 5B, specifying the Services to be provided.  - 3.3.2 the Service Provider shall respond to a Request Form by completing a Proposal as an offer capable of acceptance or by notifying the Authority in writing that it does not intend to submit a Proposal. The Service Provider shall respond to the Authority by the date specified in the Request Form or, if no such date is specified, within 10 Business Days of receiving the Request Form, or by such other date as may be agreed with the Call-Off Co-ordinator. A Proposal must remain valid for at least 90 Business Days from the date it is submitted to the Authority;
 - 3.3.3 the Authority will award the relevant Call-Off Contract to the Proposal that is the most economically advantageous with reference to the assessment criteria set out in the Request Form as they relate to the Service(s) in question.

- 3.4 Each Call-Off Contract shall be a binding agreement on the Parties and shall incorporate the terms and conditions of this Agreement, as may have been amended in such Call-Off Contract and such documentation shall together form a separate agreement between the parties.
- 3.5 A Request Form and anything prepared or discussed by the Authority shall constitute an invitation to treat and shall not constitute an offer capable of acceptance by the Service Provider. The Authority shall not be obliged to consider or accept any Proposal submitted by the Service Provider.
- 3.6 A draft Call-Off Contract shall only become a Call-Off Contract upon execution of the draft Call-Off Contract by the Authority.
- 3.7 The Authority is not obliged to approve or sign any Call-Off Contract.
- 3.8 Unless otherwise expressly agreed in writing with the Authority, the Service Provider shall not be entitled to charge under this Agreement for any work involved in any receipt and/or confirmation of any Request Form, and/or any response to any Request Form as contemplated in this Clause 3.

- 4.2 Each Call-Off Term shall be set out in the relevant Call-Off Contract. Unless stated otherwise in a Call-Off Contract, the Call-Off Term and the Services provided pursuant to a Call-Off Contract may extend beyond the termination or expiry of this Agreement, in which case the provisions of this Agreement shall survive such expiry or termination to the extent that such provisions are relevant to any such Call-Off Contract.
- 4.3 A Call-Off Contract may expire or be terminated in accordance with its terms or Clause 29 but such expiry or termination shall not, in and of itself,

give rise to an expiry or termination of any other Call-Off Contract or this Agreement.

5. The Services

5.1 The Service Provider:

5.1.1 shall provide the Services specified in a Call-Off Contract to the Authority in accordance with this Agreement and the terms of the relevant Call-Off Contract;

5.3.4 so that they are properly managed and monitored and shall immediately inform the Authority if any aspect of the Call-Off Contract is not being or is unable to be performed.

5.4 Where in the reasonable opinion of the Authority the Service Provider has failed to provide the Services or any part of them in accordance with this Agreement and/or the relevant Call-Off Contract, the Service Provider shall, without prejudice to any of the Authority's other rights, re-perform the Services or part thereof as requested by the Authority at no additional cost and within such period of time as reasonably specified by the Authority.

6. Charges

6.1 The Service Provider shall invoice the Authority in accordance with the procedures set out in Clause 7 and in consideration of, and subject to the due performance of the Services by the Service Provider in accordance with the relevant Call-Off Contract, the Authority shall pay the Service Provider the Charges in accordance with those procedures and any other terms and conditions of the relevant Call-Off Contract.

6.2 The Service Provider is not entitled to reimbursement for expenses unless such expenses are specified in a Call-Off Contract or have been incurred with the prior written consent of the Authority, in which case the Service Provider shall supply appropriate evidence of expenditure in a form acceptable to the Authority.

6.3 All Charges exclude any VAT which may be chargeable, which will be payable in addition to the sum in question at the rate and in the manner for the time being prescribed by law on delivery of a valid VAT invoice.

7. Payment Procedures and Approvals

7.1 The Service Provider shall invoice the Authority in respect of the Charges:

7.1.1 monthly in arrears during the Call-Off Contract Term; or

7.1.2 at such dates or at the end of such other periods as may be specified in the relevant Call-Off Contract; or

7.1.3 if specified in a Call-Off Contract, on completion of each Milestone. It is a condition precedent of the submission of an invoice on completion of a Milestone that all preceding Milestones specified in the relevant Call-Off Contract have been completed.

7.2 The Service Provider shall submit invoices to the address set out in each Call-Off Contract or where an electronic format for submission of invoices is set out in each Call-Off Contract, such electronic format shall, unless the Authority requires otherwise, be used. Each such invoice shall contain all information required by the Authority including the Agreement Number, relevant Call-Off Contract Number, SAP order number, the Authority

account details, the Service Provider's name, address and bank account details to which payment should be made, a separate calculation of VAT and a brief description of the Services provided. Invoices shall be clear, concise, accurate, and adequately descriptive to avoid delays in processing subsequent payment.

- 7.3 In the event of a variation to the Services in accordance with this Agreement or the relevant Call-Off Contract that involves the payment of additional charges to the Service Provider, the Service Provider shall identify these separately on the relevant invoice.
- 7.4 The Authority shall consider and verify each invoice, which is submitted in accordance with this Clause 7, in a timely manner. If the Authority considers that the Charges claimed by the Service Provider in any invoice have under the relevant Call-Off Contract:
- 7.4.1 been correctly calculated and that such invoice is otherwise correct, the invoice shall be approved and payment shall be made by bank transfer (Bank Automated Clearance System (BACS)) or such other method as the Authority may choose from time to time within 30 days of receipt of such invoice;
 - 7.4.2 not been calculated correctly and/or if the invoice contains any other error or inadequacy, the Authority shall notify the Service Provider and the Parties shall work together to resolve the error or inadequacy. Upon resolution, the Service Provider shall submit a revised invoice to the Authority.

The Authority shall not be entitled to treat any properly submitted invoice as disputed or incorrect solely due to its own undue delay in considering and verifying it.

- 7.5 No payment made by the Authority (including any final payment) or act or omission or approval by the Authority or Procurement Manager or Call-Off Co-ordinator (whether related to payment or otherwise) shall:
- 7.5.1 indicate or be taken to indicate the Authority's acceptance or approval of the Services or any part of them or any act or omission of the Service Provider, or otherwise prejudice any rights, powers or remedies which the Authority may have against the Service Provider, or absolve the Service Provider from any obligation or liability imposed on the Service Provider under this Agreement or a Call-Off Contract; or
 - 7.5.2 prevent the Authority from recovering any amount overpaid or wrongfully paid including payments made to the Service Provider by mistake of law or fact. Without prejudice to Clause 20, the Authority shall be entitled to withhold such amount from any sums due or which may become due to the Service Provider or the

Authority may recover such amount as a debt under this Agreement or a Call-Off Contract.

All such interest shall be calculated on the basis of the actual number of days elapsed, over a three hundred and sixty five (365) day year and compounded at monthly intervals. The Parties agree that this provision constitutes a substantial remedy for late payment of any sum payable under the Contract in accordance with s8(2) of the Late Payment of Commercial Debts (Interest) Act 1998.

8. Warranties and Obligations

8.1 Without prejudice to any other warranties expressed elsewhere in this Agreement or implied by law, the Service Provider warrants, represents and undertakes that:

9. Contractual Management

11.2.7.3 entitling the Service Provider or (in respect of a sub-contract below the first tier) the payer under the relevant subcontract to terminate that sub-contract if the relevant sub-contractor fails to comply in the performance of its contract with legal obligations in the fields of environmental, social or labour law; and

- 27.8 The Authority may in its absolute discretion consult with the Service Provider regarding any redactions to the Contract Information to be published pursuant to Clause 27.6. The Authority shall make the final decision regarding publication and/or redaction of the Contract Information.

28. Dispute Resolution

- 28.1 The Authority and the Service Provider shall use all reasonable endeavours to negotiate in good faith and settle any dispute or difference that may arise out of or relate to this Agreement or any relevant Call-Off Contract (“**Dispute**”) before resorting to litigation.

- 28.2 If the Dispute is not settled through discussion between the Procurement Manager and a representative of the Service Provider within a period of seven (7) Business Days of the date on which the Dispute arose, the Parties may refer the Dispute in writing to a director or chief executive (or equivalent) (“**Senior Personnel**”) of each of the Parties for resolution.
- 28.3 If the Dispute is not resolved within 14 Business Days of referral to the Senior Personnel, the Parties shall attempt in good faith to resolve the Dispute through entry into a structured mediation or negotiation with the assistance of a mediator. Either Party may give notice to the other Party (“**Notice**”) to commence such process and the Notice shall identify one or more proposed mediators.
- 28.4 If the Parties are unable to agree on a mediator, or if the agreed mediator is unable or unwilling to act within 28 Business Days of the service of the Notice, either Party may apply to the Centre for Effective Dispute Resolution (“**CEDR**”) in London to appoint a mediator. The costs of that mediator shall be divided equally between the Parties or as the Parties may otherwise agree in writing.
- 28.5 Where a dispute is referred to mediation under Clause 28.3, the Parties will attempt to settle such Dispute by mediation in accordance with the model mediation procedures published by CEDR or such other procedures as the mediator may recommend.
- 28.6 If the Parties reach agreement on the resolution of the Dispute, such agreement shall be recorded in writing and once signed by the Parties’ authorised representatives, shall be final and binding on the Parties.
- 28.7 If either Party refuses at any time to participate in the mediation procedure and in any event if the Parties fail to reach agreement on the Dispute within 40 Business Days of the service of the Notice either Party may commence proceedings in accordance with Clause 42.
- 28.8 For the avoidance of doubt, the Service Provider shall continue to provide the Services in accordance with the Call-Off Contract and without delay or disruption while the Dispute is being resolved pursuant to this Clause 28.
- 28.9 Neither Party shall be prevented from, or delayed in, seeking any order for specific performance or for interim or final injunctive relief as a result of the provisions of this Clause 28 and Clause 28 shall not apply in respect of any circumstances where such remedies are sought.

29. Breach and Termination of Agreement

- 29.1 Without prejudice to the Authority’s right to terminate at common law, the Contracting Authority may terminate this Agreement and the Contracting Authority or the Authority may terminate any current Call-Off Contract immediately upon giving notice to the Service Provider if:

- 29.1.1 in addition and without prejudice to Clauses 29.1.2 to 29.1.6 (inclusive), the Service Provider has committed any material or persistent breach of this Agreement (in the case of the Contracting Authority) or Call-Off Contract (in the case of the Contracting Authority and or the Authority) and in the case of such a breach that is capable of remedy fails to remedy that breach within 10 Business Days (or such other timeframe as specified in writing by the Authority) from the date of written notice to the Service Provider giving details of the breach and requiring it to be remedied; or
- 29.1.2 the Service Provider is subject to an Insolvency Event; or
- 29.1.3 in the event that there is a change of ownership referred to in Clause 11.3 or the Service Provider is in breach of Clause 11.3; or
- 29.1.4 the Authority is not satisfied on the issue of any conflict of interest in accordance with Clause 12; or
- 29.1.5 the Service Provider or any of its officers, employees or agents commits any act of bribery described in the Bribery Act 2010; or
- 29.1.6 the Service Provider commits any of the money laundering related offences listed in the Public Contracts Regulations 2015; or
- 29.1.7 the Service Provider fails to comply in the performance of the Services with legal obligations in the fields of environmental, social or labour law.
- 29.2 Without prejudice to any of the Contracting Authority's and/or the Authority's other rights, powers or remedies (whether under this Agreement or otherwise) if the Service Provider is in breach of any of its warranties and/or obligations under Clause 8 and/or any of its other obligations in respect of the Services under this Agreement or Call-Off Contract, the Service Provider shall, if required to do so by the Contracting Authority and/or Authority, promptly remedy and/or re-perform the Services or part of them at its own expense to ensure compliance with such warranties and/or obligations. Nothing in this Clause 29.2 shall prevent the Contracting Authority and/or Authority from procuring the provision of any Services or any remedial action in respect of any Services from an alternative service provider and, where the Contracting Authority and/or Authority so procures any Services or any remedial action, the Contracting Authority and/or Authority shall be entitled to recover from the Service Provider all additional cost, loss and expense incurred by the Contracting Authority and/or Authority and attributable to the Contracting Authority and/or Authority procuring such Services or remedial action from such alternative contractor.

- 29.3 Neither Party shall be deemed to be in breach of the relevant Call-Off Contract, or otherwise liable to the other Party in any manner whatsoever, for any failure or delay in performing its obligations under the relevant Call-Off Contract to the extent that such failure or delay is due to a Force Majeure Event. If a Force Majeure Event has continued for more than 8 weeks from the date on which that Force Majeure Event first arose and is having a material adverse effect on either Party's performance of its obligations under the relevant Call-Off Contract (the "**Affected Party**") then for as long as such Force Majeure Event continues and has that effect, the Party not affected by such Force Majeure Event ("**Innocent Party**") may terminate the Call-Off Contract immediately upon giving notice to the Affected Party. If the Call-Off Contract is terminated in accordance with this Clause 29.3 then without prejudice to any rights and liabilities which accrued prior to termination the Affected Party shall not be liable to the Innocent Party by reason of such termination.
- 29.4 Without prejudice to the Contracting Authority's right to terminate this Agreement or Contracting Authority and/or Authority to terminate the relevant Call-Off Contract under Clause 29.1 or to terminate at common law, the Authority may terminate this Agreement or the Contracting Authority and/or Authority relevant the Call-Off Contract at any time without cause subject to giving the Service Provider written notice of the period specified in Schedule 1, provided that this Clause 29.4 may be disapplied by notice to that effect in Schedule 1.
- 29.5 To the extent that the Contracting Authority has a right to terminate this Agreement or the Contracting Authority and/or Authority the relevant Call-Off Contract under this Clause 29 then, as an alternative to termination, the Authority may by giving notice to the Service Provider require the Service Provider to provide part only of the Services with effect from the date specified in the Authority's notice ("**Change Date**") whereupon the provision of the remainder of the Services will cease and the definition of "the Services" shall be construed accordingly. The Charges applicable with effect from the Change Date will be adjusted proportionately or if in the Contracting Authority's and/or the Authority's opinion a proportionate adjustment would not be reasonable in such manner as the Contracting Authority and/or Authority may determine.

30. Consequences of Termination or Expiry

- 30.1 Notwithstanding the provisions of Clause 26, wherever the Authority chooses to put out to tender for a replacement service provider some or all of the Services, the Service Provider shall disclose to tenderers such information concerning the Services as the Authority may require for the purposes of such tender and shall also comply with all requirements as are set out at Schedule 9. The Service Provider may impose upon any recipient of such information such obligations of confidentiality as it may require.

30.2 The termination or expiry of this Agreement shall not prejudice or affect any right, power or remedy which has accrued or shall accrue to either Party prior to or after such termination or expiry.

30.3 Upon expiry or termination of this Agreement or relevant Call-Off Contract (howsoever caused):

30.3.1 the Service Provider shall, at no further cost to the Authority:

30.3.1.1 take all such steps as shall be necessary to agree with the Authority a plan for the orderly handover of Services to the Authority (or its nominee), such that the Services can be carried on with the minimum of interruption and inconvenience to the Authority and to effect such handover; and

30.3.1.2 on receipt of the Authority's written instructions to do so (but not otherwise), arrange to remove all electronically held information by a mutually agreed date, including the purging of all disk-based information and the reformatting of all disks.

30.3.2 the Authority shall (subject to Clauses 20, 30.1 and 30.4 and the provisions of any security for due performance supplied by the Service Provider) pay the Service Provider any Charges remaining due in relation to any Services properly performed in accordance with the relevant Call-Off Contract up to the date of termination or expiry calculated so far as is possible in accordance with the rules set out in the Call-Off Contract or otherwise reasonably determined by the Authority.

30.4 On termination of this Agreement and any relevant Call-Off Contract under Clause 29.1 or a cessation of any Services under Clause 29.4 (but in the case of the latter only insofar as the right to cease any Services arises as a result of a right for the Authority to terminate under Clause 29.1), the Authority may enter into any agreement with any third party or parties as the Authority thinks fit to provide any or all of the Services and the Service Provider shall be liable for all additional expenditure reasonably incurred by the Authority in having such services carried out and all other costs and damages reasonably incurred by the Authority in consequence of such termination. The Authority may deduct such costs from the Charges or otherwise recover such costs from the Service Provider as a debt.

31 Declaration of Ineffectiveness and Public Procurement Termination Event

31.1 In the event that a court makes a Declaration of Ineffectiveness, the Authority shall promptly notify the Service Provider. The Parties agree that the provisions of Clause 30 and Clauses 31.1, 31.2, 31.4 to 31.6 (inclusive) and 31.12 shall apply as from the time when the Declaration of

Ineffectiveness is made. The provisions of Clause 30.4 shall apply (*mutatis mutandis*) as if (for this purpose and no other) the notice of Declaration of Ineffectiveness was a notice by the Authority to terminate the Call-Off Contract under Clause 30.4.

- 31.2 The Declaration of Ineffectiveness shall not prejudice or affect any right, liability or remedy which has accrued or shall accrue to either Party prior to or after such Declaration of Ineffectiveness in respect of the period prior to the Declaration of Ineffectiveness, save as otherwise expressly provided to the contrary in Clauses 31.1 to 31.6 inclusive.
- 31.3 During any court proceedings seeking a Declaration of Ineffectiveness, the Authority may require the Service Provider to prepare a Cessation Plan in accordance with this Clause 31.3 by issuing a notice in writing. As from the date of receipt by the Service Provider of such notification from the Authority, the Parties (acting reasonably and in good faith) shall agree or, in the absence of such agreement, the Authority shall reasonably determine an appropriate Cessation Plan with the object of achieving:
- 31.3.1 an orderly and efficient cessation of the Services or (at the Authority's request) a transition of the Services to the Authority or such other entity as the Authority may specify; and
 - 31.3.2 minimal disruption or inconvenience to the Authority or to customers of the Services or to public passenger transport services or facilities,
- in accordance with the provisions of Clauses 31.2 to 31.6 (inclusive) and which the Parties agree would have effect in the event that a Declaration of Ineffectiveness is made.
- 31.4 Where there is any conflict or discrepancy between the provisions of Clause 30 and Clauses 31.2 to 31.6 (inclusive) and 31.12 or the Cessation Plan, the provisions of these Clauses 31.2 to 31.6 (inclusive) and 31.12 and the Cessation Plan shall prevail.
- 31.5 The Parties will comply with their respective obligations under the Cessation Plan (as agreed by the Parties or, where agreement cannot be reached, as reasonably determined by the Authority) in the event that a Declaration of Ineffectiveness is made.
- 31.6 The Authority shall pay the Services Provider's reasonable costs in assisting the Authority in preparing, agreeing and complying with the Cessation Plan. Such costs shall be based on any comparable costs or Charges agreed as part of this Agreement or as otherwise reasonably determined by the Authority. Provided that the Authority shall not be liable to the Service Provider for any loss of profit, revenue, goodwill or loss of opportunity as a result of the early termination of this Agreement pursuant to any Declaration of Ineffectiveness.

- 31.7 Without prejudice to the Authority's rights of termination implied into the Contract by regulation 73(3) of the Public Contracts Regulations 2015 or regulation 89(3) of the Utilities Contracts Regulations 2016, in the event that the Authority exercises its right to terminate pursuant to this Clause 31.7 (a "**Public Procurement Termination Event**"), the Authority shall promptly notify the Service Provider and the Parties agree that:
- 31.7.1 the provisions of Clause 30 and these Clauses 31.7 to 31.12 (inclusive) shall apply as from the date of receipt by the Service Provider of the notification of the Public Procurement Termination Event; and
- 31.7.2 if there is any conflict or discrepancy between the provisions of Clause 30 and these Clauses 31.7 to 31.12 (inclusive) or the Cessation Plan, the provisions of these Clauses 31.7 to 31.12 (inclusive) and the Cessation Plan shall prevail.
- 31.8 Termination on the Public Procurement Termination Grounds shall not prejudice or affect any right, liability or remedy which has accrued or shall accrue to either Party prior to or after such termination on Public Procurement Termination Grounds, in respect of the period prior to such termination, save as otherwise expressly provided for in Clauses 31.7 to 31.11 inclusive.
- 31.9 As from the date of receipt by the Service Provider of the notification of the termination on Public Procurement Termination Grounds, the Parties (acting reasonably and in good faith) shall agree or, in the absence of such agreement, the Authority shall reasonably determine an appropriate Cessation Plan with the object of achieving:
- 31.9.1 an orderly and efficient cessation or (at the Authority's election) a transition to the Authority or such other entity as the Authority may specify of: (i) the Services; or (at Authority's election), (ii) the part of the Services which are affected by the Public Procurement Termination Grounds; and
- 31.9.2 minimal disruption or inconvenience to the Authority or to customers of the Services or to public passenger transport services or facilities,
- in accordance with the provisions of Clauses 31.7 to 31.11 (inclusive) and to take account of the circumstances of the Public Procurement Termination Grounds.
- 31.10 Upon agreement, or determination by the Authority, of the Cessation Plan the Parties will comply with their respective obligations under the Cessation Plan.
- 31.11 The Authority shall pay the Service Provider's reasonable costs in assisting the Authority in preparing, agreeing and complying with the Cessation Plan. Such costs shall be based on any comparable costs or Charges

agreed as part of this Agreement or as otherwise reasonably determined by the Authority, provided that the Authority shall not be liable to the Service Provider for any loss of profit, revenue, goodwill or loss of opportunity as a result of the early termination of this Agreement as a result of Public Procurement Termination Grounds.

31.12 For the avoidance of doubt, the provisions of this Clause 31 (and applicable definitions) shall survive any termination of the Agreement following a Declaration of Ineffectiveness or termination on Public Procurement Termination Grounds.

32. Survival

The provisions of Clauses 1, 5-8 (inclusive), 10, 11.2.2, 11.2.3, 12, 13.1.1, 13.1.2, 13.1.5, 13.2, 17, 19-23 (inclusive), 24.2, 25-28 (inclusive), 30-34 (inclusive), 35-45 (inclusive) and any other Clauses or Schedules that are necessary to give effect to those Clauses shall survive termination or expiry of this Agreement. In addition, any other provision of this Agreement which by its nature or implication is required to survive the termination or expiry of this Agreement or relevant Call-Off Contract shall do so.

33. Rights of Third Parties

33.1 Save that any member of the TfL Group has the right to enforce the terms of this Agreement or any relevant Call-Off Contract in accordance with the Contracts (Rights of Third Parties) Act 1999 ("**Third Party Act**"), the Parties do not intend that any of the terms of this Agreement or any relevant Call-Off Contract will be enforceable by virtue of the Third Party Act by any person not a party to it.

33.2 Notwithstanding Clause 33.1, the Parties are entitled to vary or rescind this Agreement or any relevant Call-Off Contract without the consent of any or all members of the TfL Group.

34. Contract Variation

Save where the Authority may require an amendment to the Services and/or this Contract is amended pursuant to the Service Provider's exercise of any Supply Chain Finance Option, this Agreement or any relevant Call-Off Contract may only be varied or amended with the written agreement of both Parties. Save for any variations or amendments to reflect the Service Provider's exercise of any Supply Chain Finance Option (the mechanism for which is set out at Part B of Schedule 7) the details of any variations or amendments shall be set out in such form as the Authority may dictate and which may be substantially in the form set out in Part A of Schedule 7 and shall not be binding upon the Parties unless completed in accordance with such form of variation.

35. Novation

- 35.1 The Contracting Authority may novate or otherwise transfer this Agreement and the Contracting Authority and/or Authority any relevant Call-Off Contracts (in whole or in part).
- 35.2 Within ten (10) Business Days of a written request from the Contracting Authority and/or Authority, the Service Provider shall at its expense execute such agreement as the Contracting Authority and/or Authority may reasonably require to give effect to any such transfer all or part of its rights and obligations under this Agreement and any relevant Call-Off Contract to one or more persons nominated by the Contracting Authority and/or Authority.
- 35.3 Subject to Clause 11, this Agreement is personal to the Service Provider who shall not assign the benefit or delegate the burden of this Agreement or otherwise transfer any right or obligation under this Agreement without the prior written consent of the Contracting Authority.

36. Non-Waiver of Rights

No waiver of any of the provisions of this Agreement or any relevant Call-Off Contract is effective unless it is expressly stated to be a waiver and communicated to the other Party in writing in accordance with the provisions of Clause 38. The single or partial exercise of any right, power or remedy under this Agreement shall not in any circumstances preclude any other or further exercise of it or the exercise of any other such right, power or remedy.

37. Illegality and Severability

If any provision of this Agreement (in whole or in part) is held invalid, illegal or unenforceable for any reason by any court of competent jurisdiction, such provision shall be severed from this Agreement and the remaining provisions shall continue in full force and effect as if this Agreement had been executed without the invalid, illegal, or unenforceable provision. In the event that in the Authority's reasonable opinion such a provision is so fundamental as to prevent the accomplishment of the purpose of this Agreement, the Authority and the Service Provider shall immediately commence good faith negotiations to remedy such invalidity.

38. Notices

Any notice, demand or communication in connection with this Agreement will be in writing and may be delivered by hand, post or facsimile addressed to the recipient at its registered office, the address stated in Schedule 1 or any other address (including a facsimile number) notified to the other party in writing in accordance with this Clause as an address to which notices, invoices and other documents may be sent. The notice, demand or communication will be deemed to have been duly served:

if delivered by hand, at the time of delivery;

if delivered by post, two (2) Business Days after being posted or in the case of Airmail 14 Business days after being posted; or

if delivered by facsimile, at the time of transmission, provided that a confirming copy is sent by first class post to the other party within 24 hours after transmission.

39. Entire Agreement

39.1 Subject to Clause 39.2:

39.1.1 this Agreement and any relevant Call-Off Contract and all documents referred to in this Agreement and any relevant Call-Off Contract, contain all of the terms which the Parties have agreed relating to the subject matter of this Agreement and such documents and supersede and extinguish any prior drafts, agreements, undertakings, representations, warranties and arrangements of any nature whatsoever, whether or not in writing relating to the provision of the Services. Neither Party has been induced to enter into this Agreement by a statement which it does not contain; and

39.1.2 and without prejudice to the Service Provider's obligations under this Agreement, the Service Provider is responsible for and shall make no claim against the Authority in respect of any misunderstanding affecting the basis of the Service Provider's tender in respect of this Agreement or any incorrect or incomplete information howsoever obtained.

39.2 Nothing in this Clause 39 excludes any liability which one Party would otherwise have in respect of any statement it has made fraudulently to the other Party.

40. Relationship of the Parties

Nothing in this Agreement or any Call-Off Contract constitutes, or shall be deemed to constitute, a partnership between the Parties. Except as expressly provided in this Agreement and any Call-Off Contract, neither Party shall be deemed to be the agent of the other, nor shall either Party hold itself out as the agent of the other.

41. Further Assurance

Each Party will do or procure the doing of all acts and things and execute or procure the execution of all such documents as the other Party reasonably considers necessary to give full effect to the provisions of this Agreement and any relevant Call-Off Contract.

42. Governing Law

The Agreement shall be governed by and construed in accordance with the law of England and Wales. Without prejudice to Clause 28, the courts of England will have exclusive jurisdiction to settle any dispute which may arise out of or in connection with this Agreement provided that the Authority has the right in its absolute discretion to enforce a judgment and/or to take proceedings in any other jurisdiction in which the Service Provider is incorporated or in which any assets of the Service Provider may be situated. The Parties agree irrevocably to submit to that jurisdiction.

THE AGREEMENT has been signed for and on behalf of the Parties the day and year written above.

SCHEDULE 3 - SERVICES

3.1 General Requirement/s

- To deliver DVSA approved periodic training; FORS Professional training, specifically (but not limited to) Safe Urban Driving (SUD) to help achieve vision zero as detailed in the Mayors Transport Strategy (MTS) and other industry training to help meet wider TfL policy priorities.
- Supplier must be able to use any JAUPT Approved training venue within the M25 (inner and outer London) at their cost
- Provide and facilitate training/courses (as specified) to be delivered on a JAUPT approved training centre or a JAUPT approved Supplier site, the Supplier shall provide all resources and equipment required to support both the theoretical and practical aspects to deliver SUD and Van Smart (VS) training. All costs of the provision of all such resources and equipment shall be deemed to be included within the training/course rates quoted in the Supplier's response to this invitation to tender.
- The TfL primary training aim is to equip participants with relevant knowledge and skills (including passing any relevant test or examination at the end of the training). Equally important is that individuals can apply their newly-acquired knowledge and skills back in the workplace, so it is essential that all courses are as participative as possible, focusing on providing learners with as many opportunities as possible to practise their skills and demonstrate the required behaviours.
- A large proportion of the material delivered during training may be largely generic; all trainers should build and maintain credibility with target audiences by taking any and all opportunities to make reference to the Freight context, whilst encompassing excellent instructional skills. All trainers should have an excellent understanding of the relevant TfL policies and priorities and refer to these within an appropriate context within the training.
- All course content should be enriched, wherever possible, with examples, terminology, case studies, etc, which reflect real issues/constraints within the industry to place the learning in an appropriate perspective to ensure skills are transferred back to the workplace.

3.2 Facilitation

TfL will require the Supplier to develop their understanding (at their own cost) of TfL's/FORS/CLOCS values and standards by undertaking background desktop research.

Courses required to be delivered as part of this contract will typically comprise of a composition of theory and practical training resulting in testing and/or certification against an existing or agreed standard. Where courses include a practical element i.e., SUD, the supplier should ensure that every course candidate receives the maximum exposure to an individual 'hands-on' experience.

Supplier to deliver the training should be a FORS Associate and have an approved DVSA/JAAPT approved training centre. All instructional staff must be fully qualified and highly experienced with practical "hands on" experience of the challenges facing the freight industry. The resources to deliver FORS Professional training will be supplied by TfL which encompass Course Training Packs (CTP) which includes trainer competencies, detailed at Appendix 1.

3.3 Overview

The supplier will be responsible for delivering training courses in accordance with pre and post administration processes set by the DVSA and TfL. The processes include but not limited to:

Pre course administration must include as a minimum:

- Manage all course bookings, via the FORS website
- Issuing joining instructions
- Confirm delegate registration is correct
- The provision of sufficient participant work books
- The provision of sufficient feedback forms
- The provision of approved training venues
- The recruitment and employment of qualified trainers
- Implementing health and safety/risk assessment checks
- Ensuring ancillary training resources are in place and serviceable (specifically for SUD and Van Smart)

Course close down procedure:

- Obtain and record immediate feedback
- Complete data uploads to all relevant repositories
- Issue course attendance certificates
- Process and investigate any complaints
- Record and protect all personal data in accordance with the General Data Protection Regulations(GDPR)

3.4 Course accreditation and additional requirements

The training provider (supplier) is required (at their own expense) to obtain JAUPT approval for Twenty Four (24) course participants for the Safe Urban Driving (SUD) and Van Smart (VS) DCPC FORS Professional training modules, with every training facility meeting the mandated Health and Safety Regulations.

The FORS Professional (FP) training must be reviewed annually by the provider/s making sure it maintains pace with industry and any regulatory changes. All recommendations for any amendments are to be submitted to TfL for review, who will advise on the outcome. The flagship courses to be delivered annually will be in the main SUD and VS to an audience of circa 5,000 commercial drivers.

Other training maybe required which will be requested by specific call off contracts to the successful suppliers. The details of the requirements for each part of the training will be specified on an individual basis. Additionally, details of cycle maintenance and Personal Protective Equipment (PPE) will be required.
