Guidance

Job title

Customer Service Manager 2 / 3

Reporting to (position number)

Area Manager

Hay score / Pay Band

TBA / OMQ3 & 4

Job Purpose

Lead and manage a team to deliver world class service to all London Underground customers. Responsible for the smooth and safe daily operation of the station environment, delivering to agreed performance targets for customer service, safety, reliability, capacity and commercial performance of the network.

CSM2s will work unsociable hours (including nights) and weekends regularly as part of a roster. (Q3 Level 2).

CSM3s will work unsociable hours (excluding nights) and weekends regularly as part of a roster. (Q4 Level 1).

NB: CSM2s will normally be rostered at Metro and Local stations. CSM3s will normally work in Local stations.

Key accountabilities

People management: lead, motivate and develop a team of staff to deliver a world class service through effective performance management, communication, coaching and development.

Customer service: ensure the best possible customer experience is delivered (measured through the achievement of key customer service performance indicators), and lead by example through proactively providing assistance to customers.

Staff Engagement: lead local activities to build staff involvement and commitment to improve customer service.

Deployment: deploy staff effectively at all times to maximise service provision and staff visibility to customers and reduce the risk of station closures and disruption to customers.

Performance management: Proactively manage attendance, discipline and conduct issues within your team, ensuring these are resolved early, effectively and without escalation where possible. Manage the performance of your team throughout the year to ensure they continue to demonstrate the required competence.

Ticketing: manage the provision of ticketing facilities for customers, ensuring the availability of ticket machines.

Proactively identify opportunities to increase commercial revenue.

Operational support: responsible for opening and closing stations, facilitating access and managing a combination of assets depending on the station type (including the programme of station and security checks) to ensure the reliability of assets and services to customers. Identify and resolve faults locally wherever possible.

Incidents and emergencies: respond to and manage operational incidents in line with London Underground's rules and procedures to ensure the safety of customers and staff and to restore service as quickly as possible. Liaise effectively with emergency services and other external stakeholders as needed.

Safety: manage operational risks by regularly reviewing risk assessments. Investigate incidents and other issues locally, writing and reviewing reports where appropriate and seek to improve ways of working to prevent recurrence. Implement steps to protect revenue by effectively detecting and eliminating fraud.

HEALTH & SAFETY STATEMENT

All employees have a general duty in law to take reasonable care for the health and safety of themselves and of other persons who may be affected by their acts or omissions.

All employees must understand and be committed to Transport for London's Health and Safety Policy statement and the Company's safety priorities and be aware of their contribution to such priorities. All employees must also be aware of and comply with all current health and safety legislation and other Company requirements that are relevant to their role.

EQUALITY STATEMENT

Transport for London values the diversity which exists in our city, and our aspiration is to reflect this diversity in our workforce. All employees must be aware of and committed to the Equality Policy Statement of Transport for London. All employees must also be aware of and comply with other Company requirements associated with Equality and Diversity issues relevant to their role.

CRIME & DISORDER STATEMENT

It is a statutory requirement for all departments in TfL to follow Section 17 of the Crime and Disorder Act 1998. Section 17 requires authorities to consider the likely affect on crime and disorder and community safety in all that they do, and take action to prevent crime and disorder, substance misuse, anti-social behaviour and behaviour that adversely affects the environment. TfL has voluntarily been committed to following Section 17 since 2006, but we must all make sure that it is considered in decision making, policies and procedures in the same way that equality and health and safety are.

This job description takes account of the primary factors but recognises there may be an number of items required to fulfil the role, but which are not required to be detailed.
