Hi Adam,  
Any update on this please. Do we have a date from Engineering as to when the intergreens will be done.

Hi Adam,  
Please find attached feasibility layout for RHR 12/057. Can you please arrange for TfL Engineering to undertake intergreen checks. You already have the PO which was sent by Ian before Xmas. Once we get confirmation of the intergreens we can look to start the Vissim modelling. The only change they may be added prior to modelling would be the early start to cyclist on a north/south approach.

Hi Rosemary, Happy New Year, I have copied you on the email as you did the original intergreen checks.

Regards
