**Subject:** FOI On Lower Sloane Street / Chelsea Bridge Road / Royal Hospital Road

Dear All,

We recently responded to an FOI from [REDACTED] as below

“I would like copies of emails, minutes of meetings along with any documents circulated, and notes from telephone calls between the council and TfL regarding pedestrian lights at intersection of Lower Sloane Street/Royal Hospital Road/Chelsea Bridge Road/Pimlico Road between 16th May 2019 to the present.”

Despite our endeavours to redact all names and contact details of everyone in the email chains except RBKC Council Officers, unfortunately, when the PDF response was uploaded onto the FOI platform in question, ‘What Do They Know’, a partially unredacted version also became visible as a result of the platform converting the PDF into HTML.

We sincerely apologise for this occurring and our FOI Team have asked What Do They Know’s administrators to replace it with a fully redacted version and we await their response. We are also working with our FOI people to ensure that this does not happen again.

Once again, we are very sorry for any inconvenience caused.

Regards, Ian
