Action - No Action

Details:

Hazards:

- No Hazards

Treatment areas:

- No Action Required

Route type: No Routes Required

Application rate: No Treatment Required

Min RST: Plus 1.7

No start time set.

Comment:

Dry this afternoon with spells of hazy sunshine. This evening will remain dry but turn chilly under mostly clear skies. Tonight, a strengthening south westerly breeze will bring in milder air later on in the night, along with cloud thickening, helping to keep RSTs above zero. Dry tomorrow morning with bright spells possible, but turning increasingly blustery by the afternoon.
