

We've introduced electric buses on route 46 from Lancaster Gate to St Bartholomew's Hospital that are kinder to the environment

This is part of the commitment by the Mayor, Sadiq Khan, and TfL to help Londoners breathe cleaner air.

Milestone

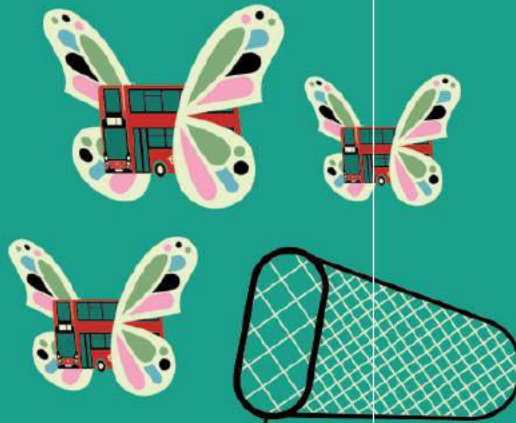

TfL CONFIDENTIAL

Every bus you catch in the central London Ultra Low Emission Zone now meets the highest emission standards

This is part of the commitment by the Mayor, Sadiq Khan, and TfL to help Londoners breathe cleaner air.

Search TfL Improvements

All TfL buses operating in the zone will meet Euro VI emission standards or be electric

Guideline 80pt
Prohibition 60pt

Our buses across the entire city now meet the highest emission standards

Our core fleet* of around 9,000 buses meet the ULEZ emissions standards and some are even zero-emission**.
