Subject: Motorcycle Action Group response to Consultation on road charging
Attachments: Congestion Charge £15 2020 06 04.pdf; ATT00001.htm

Dear Sir/Madam,

Please find enclosed the Motorcycle Action Group's (MAG's) response to your invitation for submissions to the road charging consultation which we only learned of on 1st June 2020.

We have had to focus resources to hurriedly compile our response. All references are therefore available on request as I did not have time to include them here.

Please contact us if there is anything you would like us to clarify - or for the list of reference. I shall be happy to provide both.

I am sure we do not need to underline the life-and-death significance of this consultation and the Mayor's subsequent actions regarding the Congestion Charge and the ULEZ tax. We trust our submission will therefore be treated with the gravity such an important matter warrants.
