Dear Mark,

FELTHAM MAJOR SCHEME

Phone: [REDACTED]
Fax: [REDACTED]

I write with reference to your request for confirmation of the funding for the Feltham Major Scheme.

As you will be aware, there will be no reduction in the overall level of funding for Major Schemes over the life of the Business Plan, but there has been a change in the profile of the budget over the period. The focus for the 2018/19 funding has been to maintain delivery of schemes which are in the implementation phase.

Consequently we have had to re-profile the LIPs Major Scheme funding, deferring 2018/19 funding for Feltham to 2019/20.

SUMMARY OF FUNDING

| Feltham Major Scheme | 2017/18 Financial Year | 2018/19 Financial Year | 2019/20 Financial Year |
|----------------------|------------------------|------------------------|------------------------|
| Allocation | £0.708m | £1.2m* | £4.424m |

* Note this allocation is from Bus Priority Programme, Not LIPs Major Scheme funding.

We would look to work with your authority on possible ways forward to mitigate the impacts. For example, reprogramming the use of secured non Major Schemes funding to works in 2018/19, or using your own capital resources towards the cost of works above the level of secured funding. This would subsequently be returned through TfL committed Major Schemes funding in 2019/20.

Yours sincerely

David McKenna
