

Bus service changes

02 December to
13 January 2017
inclusive

EVERY JOURNEY MATTERS

Bus service changes, 02 December to 13 January 2017 inclusive

This document sets out bus route service changes that have been approved and confirmed as going ahead; the information is correct to the date we publish, but is subject to change at short notice for operational reasons.

We publish this report every fortnight and highlight service changes two weeks previous and four weeks ahead of the issue date. This edition includes information about bus services during Christmas and New Year.

Date published: 16 December 2016

Special notes:

Archway – Until summer 2017, roads around Archway will be busy while we redesign the junction. There will be four phases of bus stop changes. [Read more about the changes here.](#)

Tooley Street is closed to eastbound traffic from 3 May 2016 until February 2018 due to the redevelopment of London Bridge station. Routes **343, 381, RV1, N199** and **N381** are diverted eastbound. [Read more about the closure of Tooley Street.](#)

Tower Bridge will be closed to all traffic from 1 October until 30 December 2016 to allow City of London Corporation to undertake essential maintenance work. Routes **42, 47, 78** and **RV1** will be diverted. [Read more about the closure of Tower Bridge.](#)

Until January 2017, we need to close sections of the [A1 Holloway Road](#) while we carry out work to replace Upper Holloway railway bridge. The extent of the road closure will vary (see below) and buses on routes **43, 271** and **N41** will be diverted. Special service **563**, will link Nag's Head with Upper Holloway station (to a point just south of the road closure). To help mitigate the impact of the road closure, route **17** will start and finish at Holloway, Nag's Head, route **263** at Archway and during the day routes **43** and **271** will stop short of their normal central London destinations.

- Saturday 24 December 2016 - Monday 16 January 2017: **Full closure**

Bus stops at East Croydon station are closed for improvement works. Routes **64, 119, 194, 198, 250, 367, 433, 466** and **N68** are diverted. [Read more about the closure here.](#)

From 09 January 2017 until early March we will be improving Sudbury Town station forecourt. While works continue there will be special arrangements for routes 204 and 245.

More details are provided in the route list below for temporary, but long term diversions and curtailments as they commence.
