Bus service changes, 4 November to 16 December 2016 inclusive

This document sets out bus route service changes that have been approved and confirmed as going ahead; the information is correct to the date we publish, but is subject to change at short notice for operational reasons.

We publish this report every fortnight and highlight service changes two weeks previous and four weeks ahead of the issue date.

Date published: 18 November 2016

Special notes:

Tooley Street is closed to eastbound traffic from 3 May 2016 until February 2018 due to the redevelopment of London Bridge station. Routes **343, 381, RV1, N199** and **N381** are diverted eastbound. [Read more about the closure of Tooley Street.](#)

Until January 2017, we need to close sections of the [A1 Holloway Road](#) while we carry out work to replace Upper Holloway railway bridge. The extent of the road closure will vary (see below) and buses on routes **43, 271** and **N41** will be diverted. Special service **563**, will link Nag's Head with Upper Holloway station (to a point just south of the road closure). To help mitigate the impact of the road closure, route **17** will start and finish at Holloway, Nag's Head, route **263** at Archway and during the day routes **43** and **271** will stop short of their normal central London destinations.
