Dear Sir or Madam;

01st October 2021

MAWNEY ROAD / WHITE HART LANE JUNCTION
PROPOSED ALTERATION TO EXISTING TRAFFIC CALMING MEASURES

www.havering.gov.uk

The Council approved funding for the above scheme to improve road safety at the Mawney Road / White Hart Lane Junction. Concerns have been raised about road accidents at the Mawney Road / White Hart Lane Junction, resulting in damage to residential properties. A feasibility study has been carried out to identify possible alteration to traffic calming measures to improve current situation at this junction.

A number of safety improvements have been designed to address these issues and we would welcome your comments on the proposals. The proposals are listed below. Please refer to the plans enclosed for greater detail:

- Existing speed cushions outside property Nos. 391/392/394 Mawney Road and 3/5 White Hart Lane to be upgraded to speed table as shown.
- Proposed guard rails as shown.
- Upgrading and relocating bend signs as shown.
- Upgrading Chevron signs as shown.

Large scale plan can be viewed on the Councils website a link of which is shown below:

If you wish to comment on the proposals, you may do so,

By writing to: The Interim Schemes Highways Service Unit Manager, Environment, Highways, Traffic & Parking, Town Hall, Main Road, Romford, RM1 3BB.

OR

By email to: schemes@havering.gov.uk

Comments should reach us by **Friday 22nd October 2021**.

Please note we are unable to answer individual points raised at this stage. However, the results of the public consultation will be reported to the Highways Advisory Committee.

The decision on the scheme will be made through our Highways Advisory Committee process. The responses to this consultation will be discussed at the committee's meeting on Tuesday 16th November 2021 at 7:00pm in Havering Town Hall, Main Road, Romford. For the duration of COVID-19 restrictions period, all Highways Advisory Committee meetings will be delivered through virtual zoom video meeting. This can be accessed using PC, Laptop and mobile phones. The agenda for the meeting, which will include the officer's report, will be available at the meeting and also on the Council and Democracy pages of the Council's website prior to the meeting.

The committee is open to the public and the Council's Constitution allows one person to speak in support and one person to speak in objection to the proposals. Each person will have up to a maximum of 3 minutes to speak. You must pre-register to Speak on a 'first come first served basis so if you are not the first person to register it is unlikely you will be able to speak to the committee. If you wish to register to speak to the committee, please contact [REDACTED] on [REDACTED] no earlier than 10th November 2021 and at least two days prior to the meeting.

The committee will seek to review all of the issues connected with the proposals and make a recommendation to the Cabinet Member for Environment, who will make the final decision on the scheme. There are usually a number of schemes to be discussed by the committee and it may be late in the evening before the scheme is considered.

If you require any further information on the proposals, please contact Mr Siva, the Senior Engineer dealing with the scheme.

Please note that all comments we receive are open to public inspection.

Yours faithfully,
