Thanks Ian for the clarification, as long as we receive on the 1 July we should be able to get it through in the July approval round.

Kind regards
Steph

Dear all,

Just a further clarification, that the SEA will be sent on 1 July. If there are any substantive issues I will advise you as soon as we are aware.

regards
Ian

Dear all,

Can I just clarify the current status of the SEA consultation and the timetable.

The SEA consultation went live the first week of June, and is running until 28 June.

We are dealing with questions as they come in, and will have our Lead Member lined up to sign off the document over the weekend, as soon as the consultation closes. We will then send the SEA and any minor tweaks to the LIP3, should they be required.

regards
Ian
