Subject: Silvertown Tunnel - Trade Team Limited

Dear [REDACTED]

I am working on behalf of TFL for the Silvertown Tunnel scheme. We have been reviewing the land interest questionnaire that you sent us in June 2015, in relation to the comment made about trade team limited.

Other Interests – Trade Team Limited

“Statutory rights granted under section 66 (I) (G) Port of London Act 1968 to enable licenses to enjoy benefits of a works license for 2229mm outfalls on Alexandra Wharf”.

Would you be able to send us a plan outlining the extent to which Trade Team Limited have rights?

Kind Regards,

[REDACTED]
Assistant Land Referencer
