

Dear [REDACTED]

I am delighted to inform you that the following schemes have been approved for funding via the London Streetspace Programme.

Scheme Name	EFC	Decision (full/part fund)	Initial allocation	Reason for part-funding (if applicable – see below), and action required in order to unlock full allocation
LBH School Streets	£220,000.00	Part	£220,000.00	Due to funding availability this is the maximum level of funding that can be awarded

Please note that the listed scheme, detailed in the table above, is proposed to be funded to £220,000 which is the maximum level of funding currently able to be awarded, due to funding availability. We do not wish to delay design and/or implementation and we are committed to working with Borough colleagues to fully realise your ambitions and to ensure schemes are delivered. I hope you understand that approving a scheme represents a commitment to this. You are encouraged to apply for the £220,000.00 via the borough portal.

Any schemes for which you have applied but are not listed above remain on hold – we have received a volume of bids far in excess of our funding ability and as such there are a number of high-quality schemes we are simply not able to fund at present. You can expect further communications on the LSP allocation process and our plans for the time between now and September in the coming weeks.

Please ensure that this information is disseminated amongst officers and Members as required, or alternatively advise me of anyone to whom this message needs to be forwarded.

With kind regards,

[REDACTED]
