List of Changes

Frequency changes – there is no change to frequency during days / times of day not mentioned.

10 March 2018

109	Brixton – Croydon Town Centre	<p>We've made a further small change to a bus route serving Croydon town centre. This is in addition to the changes we made in October 2017.</p> <p>We've been working with Croydon Council on a pilot scheme to pedestrianise High Street between Park Street and Katharine Street.</p> <p>On Monday to Friday, route 109 runs slightly less frequently between 10:00 and 15:00. This change results in two fewer journeys in each direction than previously. This is to help maintain reliability.</p> <p>The changes are initially for approximately one year from October 2017. We're working hard to keep them to a minimum, and they're subject to change for operational reasons. With Croydon Council we will review the impact, before either making the changes permanent, or returning to the previous arrangements, in autumn 2018.</p>	Croydon Lambeth
