Morning Dan,

Do you know what was the date this EVA was requested? Do you know who the request was sent to? Seems strange that you can't locate a record and the garage are also struggling to locate it.

At the moment I have been struggling to identify anyone aware of it, and therefore haven't been able to locate a completed EVA. I haven't though been able to communicate with [REDACTED] and [REDACTED] who are named below. [REDACTED] has moved off and [REDACTED] is looking to speaking with [REDACTED]

Many thanks,

[REDACTED]

Morning [REDACTED] [REDACTED] I, [REDACTED], [REDACTED],

I understand you may all be on a training day today and I'm not sure who is the EVA SPOC at the garage now. Could you review the below ASAP and confirm if an EVA has been completed at the Hither Green Lane location, and if so re send it please.

Many thanks,

Are you able to chase the south garage to see if an EVA took place at this location, we have not been able to find it in TfL.

Hi Graham,

I can also confirm I do not have this document, and have searched my inbox and shared inbox, and cannot find it. I have requested this information from the Police, but I cannot confirm when they will let me know if they have this document, and where it has been sent etc.

Kind Regards,  
Dan

Hello Graham

No the South Garage is part of the MPS not part of TfL.

Thanks

Sean

Thanks Dan / Sean

Is the 'South garage team' part of TfL? If so do you know if they hold this EVA?.. Sean is correct in saying if TfL hasn't received it then we can just say so – but if it is held anywhere in the business then we would need a copy & can then discuss whether its suitable for disclosure – it may be that some redactions would be required, I imagine we wouldn't be able to refuse the document in full..

Our deadline for responding to these requests is Tuesday – but we do have capacity to extend this where the request is considered 'complex' – this would allow us time to review the actual document – but we can't extend this deadline if it turns out we don't even hold the information requested, so would be really good to know if it is held asap.

Many thanks

Graham

Hello Dan

If you do not hold the information as requested by the FOI then just confirm this back to the FOI team.

Can you go through your inbox just to make sure it hasn't been sent over

Graham when is the deadline for this?

Thanks

Sean

Hi Masoud/Graham,

I have emailed the South garage team for this EVA. We have not been made aware until yesterday to have any line of sight of Police EVA's, hence why this is not on the tracker, we have since discussed this with our manager yesterday @Lelia King how we are going to manage these EVA's going forward.

When/If I receive this EVA I can forward on, but I am apprehensive about these documents, as we have not really handled these before, in regards to storing and cataloguing and GDPR as these could have the potential of having more sensitive information etc

I have noted that you have stated it is urgent, and it is an impending bank holiday weekend, @Sean Conroy as Lelia is not available today, could you provide some advice/guidance?

Kind Regards,

Dan

Hi all,

We have received this urgent FOI request on an EVA on Hither Green Lane. There is nothing on the EVA tracker. Are you able to assist on this?

Thanks,  
Masoud

Hi

We have received two FOI requests as below which are now urgent as we are very close to the legal deadline... We've been around the houses trying to see if we hold the requested information, but so far it seems we do not.

We carried out an email search & found an email which stated EVAs from the police should be submitted to these email addresses. Therefore would you be able to advise me urgently if you hold the requested information or not?

Many thanks

A copy of Catford Police Environmental Visual Audit (EVA) of Hither Green Lane

I understand Catford / Lewisham Traffic Police have sent an Environmental Visual Audit (EVA) of Hither Green Lane in Lewisham to Transport for London, following some recent speed enforcement activity on that road. Please can I have a copy of this EVA. You will have received it from the police either late March or early April.

FOI-0123-2425

Environmental Impact Assessment - Hither Green Lane

Dear TfL,

I hope you're well. I am writing to request the Environmental Impact Assessment (EVA) report and associated emails exchanged in relation to work carried out by the Metropolitan Police Service Traffic Police in Lewisham. The officers listed below have confirmed that the submission of the EVA report to TfL was completed over the last couple of weeks and the EVA report would have contained recommendations in relation to Hither Green Lane.

The officers that may have submitted the emails/responses to TfL and who produced the EVA report would likely have been [REDACTED] [REDACTED]@met.police.uk) and/or [REDACTED] ([REDACTED]@met.police.uk)

In Summary:

- 1.) Can I please obtain a copy of the EVA Report for Hither Green Lane
- 2.) Can I also have a copy of the covering email that accompanied the EVA report submission
- 3.) Can I also have copies of any correspondence between TfL and the Police in relation to the EVA for Hither Green Lane
