Afternoon [REDACTED]

As attached it references that you may have completed an EVA at Hither Green Lane.
Did you complete an EVA at the location and if so who/what mailbox did you send it to?

Many thanks,

[REDACTED]

Hello

This FOI has been appealed. The requestor did mention these names. "The officers that may have submitted the emails/responses to TfL and who produced the EVA report would likely have been [REDACTED] ([REDACTED]@met.police.uk) and/or [REDACTED] ([REDACTED]@met.police.uk)". Did we check with them that if they did supply an EVA who did they submit it too? If we did and they said they didn't then I will go back with our original response. If they did submit when then with your agreement I will sign post them to your MPS FOI team.

Hi Emma

I have done some investigating and I was pointed towards Leila King who may be able to assist. This isn't a SHE matter. Hope that's helpful.

Thank you

Subject: FOI Internal Review Appeal - IRV-031-2425
Importance: High

Hello Zena

I am currently looking into an FOI Internal Review Appeal where the requester has asked for the following –

- 1.) *Can I please obtain a copy of the EVA Report for Hither Green Lane*
- 2.) *Can I also have a copy of the covering email that accompanied the EVA report submission*
- 3.) *Can I also have copies of any correspondence between TfL and the Police in relation to the EVA for Hither Green Lane*

We initially did a remote search using our eDiscovery tools but couldn't find anything which fell within the scope of what was being sought which is what we advised the requester (see the full email chain below).

However they have now raised an appeal advising that potentially the EVA was sent by the Police to the Vision zero team.

Is this something you would be able to look into please and advise if we hold a copy of an EVA for Hither green and if the Zero Vision team hold any correspondence with the Metropolitan Police in regard to receiving the EVA from them?

Many thanks

Emma Flint

Hi Graham,

I hope you're well and apologies on the delay in responding for some reason your email ended up in my spam folder (the joys of modern technology).

I have reached out to the officers involved and they have confirmed it was sent to the TfL Vision Zero Team (members within that team) and that team members had reached out to them last week re: the EVA (Environmental Visual Audit). The police won't provide the email addresses of team members due to data protection.

Can I please ask that the search is conducted again and perhaps including Hither Green / Hither Green Lane / Torrington. These are the roads in question that were the subject of the EVA.

Kind regards,

[REDACTED]

Dear [REDACTED]

Our ref: FOI-0123-2425/GH

Thank you for your request received by Transport for London (TfL) on 9 April 2024 asking for an Environmental Impact Assessment - Hither Green Lane.

Your request has been considered under the requirements of the Environmental Information Regulations and our information access policy.

We have carried out reasonable searches across different TfL teams who may have received this audit, and carried out a search for any relevant emails received from the Metropolitan Police Service (MPS), both on the named Sergeant's email addresses and broader emails from the MPS.

Whilst we have searched extensively, we have not been able to locate this report or associated correspondence, and therefore it seems probable that it has not been received by TfL. You may wish to ask the MPS if they can provide you with a copy. If you are not satisfied with this response please see the attached information sheet for details of your right to appeal.

Yours sincerely

Dear TfL,

I hope you're well. I am writing to request the Environmental Impact Assessment (EVA) report and associated emails exchanged in relation to work carried out by the Metropolitan Police Service Traffic Police in Lewisham. The officers listed below have confirmed that the submission of the EVA report to TfL was completed over the last couple of weeks and the EVA report would have contained recommendations in relation to Hither Green Lane.

The officers that may have submitted the emails/responses to TfL and who produced the EVA report would likely have been [REDACTED] ([\[REDACTED\]@met.police.uk](mailto:[REDACTED]@met.police.uk)) and/or [REDACTED] ([\[REDACTED\]@met.police.uk](mailto:[REDACTED]@met.police.uk))

In Summary:

- 1.) Can I please obtain a copy of the EVA Report for Hither Green Lane
- 2.) Can I also have a copy of the covering email that accompanied the EVA report submission
- 3.) Can I also have copies of any correspondence between TfL and the Police in relation to the EVA for Hither Green Lane

Thanks in advance,
