Dear Colin

## **THE CONNECTION AT ST-MARTIN'S AND GARDEN BRIDGE TRUST PARTNERSHIP**

Following your meeting with Wendy Blair on Friday 10 July, I am writing to thank you for your support for the Garden Bridge and to outline a proposal for a partnership between The Connection and the Garden Bridge Trust.

We very much admire your approach to providing programmes of prevention, intervention and reintegration for vulnerable people. As discussed, the objectives of the Trust include advancing education, training and retraining as well as promotion of horticulture, arboriculture and associated sciences. We would therefore be delighted to offer our support for your aspiration to develop a gardening-based programme for your clients. This collaboration is to be referred to as The Connection and Garden Bridge Trust Partnership (the Partnership).

### **Garden Bridge Trust's obligations**

Specific activities we will carry out include:

- Arranging an initial meeting with the Garden Bridge Trust planting contractor and yourselves to agree an appropriate approach to establishing and maintaining plants at The Connection.
- Run an education and planting session with your clients at The Connection.
- Working with you to explore opportunities to expand The Connection planting programme to external sites or organisations in 2016.

### **The Connection's obligations**

In relation to your role in the partnership, it is proposed that you would:

- Measure the impact of the programme and share the reporting with us for use externally.
- Participate in joint publicity events such as announcing the partnership, highlighting any benefits of the programme and publicly supporting the Garden Bridge project as it progresses.

**Acknowledgement**

In recognition of your support, it is agreed that you can describe yourself as "a community partner of the Garden Bridge".

The content of any press release or other similar communications in respect of The Connection and Garden Bridge Trust Partnership shall be agreed between the parties prior to release.

Neither party shall use the name, logo, trademarks or other brand collateral of the other party without the owning party's prior consent.

**General**

Nothing in this letter is intended to, or shall be deemed to, establish any joint venture between the parties, constitute either party the agent of another party, nor authorise either party to make or enter into any commitments for or on behalf of the other party.

Each party agrees that either party can terminate the Partnership immediately on written notice and on termination, all obligations set out in this letter will cease.

We look forward to continuing to work with you as The Connection gardening programme and Garden Bridge Trust projects develop.

I should be grateful if you would confirm your agreement to this letter by signing it and returning the signed copy to me at our address at Somerset House.

Yours sincerely

We confirm that we agree to the terms set out in this letter.
