The annual London to Brighton cycle ride will be taking place on Sunday 16 June 2024 and up to 15,000 cyclists will be leaving Clapham Common in groups at staggered intervals between 0600 and 0930 hours.

The roads traversed are as follows The Avenue, Nightingale Walk, Nightingale Lane, Bellevue Road, Burntwood Lane, Garratt Lane, Mitcham Road, London Road, Holborn Way, Upper Green West, Upper Green East, Commonside West, Carshalton Road, London Road, Hackbridge Road, Nightingale Road, North Street, Pound Street, Park Hill, Beeches Avenue, Woodmansterne Road, Carshalton Road, Rectory Lane, Chipstead Valley Road, then via non-bus routed roads as far as Gatton Bottom, then London Road North (A23), High Street, Merstham, leaving the London Buses operating area at School Hill.

The majority of the route will be under normal traffic conditions however along the route there will be points where traffic marshals will hold traffic back to allow the cyclists to pass through road junctions.

Due to safety reasons, there will be some road closures at Clapham Common, Wandsworth Common, Carshalton and Banstead areas.

The access to the common for participants and organisers will be via Rookery Road, which will be closed to traffic between Clapham Common South Side and Long Road between 0001 and until 2359 hours Sunday.

Bus operators must also only divert/curtail buses when instructed to do so by The Network Management Control Centre or London Buses roadside officials.

Due to the number of cyclists, drivers are asked to exercise extreme caution and to be extra vigilant especially when manoeuvring at bus stops.
