Event Details

The Wireless music festival will take place in Crystal Palace Stadium with an expected audience of up to 40,000 people expected to attend daily, the following measures will be put in place to mitigate the effects.

The event takes place daily between 1100 and 2130

1. Bus stop BP2418 D in Crystal Palace Bus Station will be closed each night between 2000 & 2359 to try and avoid overcrowding in the bus station and buses should not serve this stop between these times.

2. From 0730 Friday 1 July until 2359 Sunday 3 July Bus stop 6915 E on Anerley Hill towards Beckenham or Norwood Junction will be closed to allow more road space for pedestrians.

3. Marshall's will be placed at Anerley Road/Hamlet Road to ensure the road remains open. **(This was discussed again this year and assurances were given)**

4. There are discussions on going with TFL regarding the traffic light junction at Anerley Hill/Crystal Palace Parade/Church Road, it maybe be temporary lights or pedestrian assistance.
