Morning all,

I can confirm the parking suspension is in situ as such we have now have a temporary bus stop in place.

Many thanks for all your help.

Regards

Hi Ubaidur,

Please See attached application form which clearly states outside no.244
Please let us know when this is corrected so we Foyez can get this dolly stop in place.
We need this done urgently, as we are receiving political pressure to get this resolved.

Thank you

All,

Please note the parking suspension that is in situ is on the wrong side of the carriageway.
The suspension required is on the westbound direction, unfortunately buses will be unable to
serve a temporary bus stop safely.

Kind regards,
Foyez Uddin

Hi Michael,

The local Streetcare Officer inspected the area this afternoon and noted that the suspension signs were not erected on the parking sign post. As a result Foyez from TFL Buses has been unable to site the dolly stop.

Please give us an update on this and copy in Foyez so that he can instruct his team accordingly.

Thank you

Hi Mick,

Did you authorise this request?

The Streetcare Officer checked the location today and said that he did not see any suspension sign up.

Thank you

 Hi Michael,

Thanks for agreeing to get the two parking bays suspended at no cost.
 Please find attached suspension form submitted by my colleague Marwar Uddin.
 I have relayed this message to Foyez at TFL buses. He will site a dolly stop where the two bays are outside 244 Bethnal Green Road on 02/07/2019.

Thank you
