Hi [REDACTED]

As these are intended as temporary measures in the interim can we keep the dolly stop out until we are sure that the border works? Once we are confident that the scheme works I would then be happy to discuss costs, is that ok?

Kind Regards

Hi [REDACTED]

Will you be requiring TfL to relocate the bus stop onto this temporary buildout, if this is required we will need to discuss cost.

Kind regards

Subject: HAMPTON COURT ROAD - CYCLE SCHEME - BUS DIVERSION AND BUS STOP SUSPENSION REQUIRED FROM 13TH SEPTEMBER

Official

Good afternoon

I am writing to advise you that Hampton Court Road, between the Palace Rbt and Church Grove will be closed for overnight works on Sun 13th and Mon 14th Sept (between 7pm-5am) to facilitate the implementation of a temporary cycling scheme outside the Palace. For information I attach the planned diversion route for all traffic. Buses will need to be diverted during these times, I have attached a bus diversion request form for the nights of the 13th and 14th.

Part of these works involves construction of a temporary bus stop border as shown on the attached drawing. The works for this will commence during the evening closure on the 13th September and continue potentially into the next 3 days (this could be less). We will therefore require the bus stop to be temporarily closed from 6pm on the 13th September. I attach the bus stop suspension request form. We will be suspending the parking bays adjacent to this stop for the same time period and I trust it will be possible to use this area for a dolly stop whilst the works are undertaken.

Please let me know if you have any questions or comments at this stage.

Kind Regards
