Hi T I agree this feels like a positive result, well done. Although not definitive it is as far as they were going to go and a step forward compared to previous position.

Are the necessary resources available to do the actual review etc?!

See attachment especially Paras 5-7.

I feel this is a good result and enables us to proceed in partnership with the Council. By that I mean release the funding they want for the High Line and start a review of bus provision on Pancras Rd.

Hopefully you all agree?

Let me know.

Thanks,

Gav
