Hi Gavin

Hope all well.

Appreciate you have a lot on but I am being chased internally for this letter.

Can you please supply ASAP?

Thanks

Sam

Sam Margolis
Strategic Lead Transport Planning

The majority of Council staff are now working at home through remote, secure access to our systems.

Where possible please now communicate with us by telephone or email. We have limited staff in our offices to deal with post, but as most staff are homeworking due to the current situation with COVID-19, electronic communications will mean we can respond quickly.

Thanks Sam, I'll knock that up but it will take me a few working days. Would next week be OK?

Gavin McLaughlin | Principal Planner

During these unprecedented times we aim to provide our usual planning service with many of our team working remotely. Where possible we will replace our face-to-face pre application service and other

meetings with video and conference calling. Please continue to contact us by email and mobile phone where available as usual. As we will continue to monitor SpatialPlanning@tfl.gov.uk please CC this address as well as send direct to individuals and other Spatial Planning inboxes. Please do not rely upon sending by post or courier only.

For more information regarding the TfL Spatial Planning team, including TfL's *Transport assessment best practice guidance* and pre-application advice please visit:

Hi Gavin/all

This is great, thank you.

Yes a formal letter confirming would be most welcome.

Sam

Hi Sam

To my knowledge we accept the principles expressed in your letter and we can offer you that assurance, yes. We considered it a 'decent result' at the end of the discussions. Thanks for helping with it.

Would you like a letter from us acknowledging your letter?

Lucinda and Patricia, CCed, can confirm this 100%.

Thanks,

Gavin McLaughlin | Principal Planner

Subject: TfL letter on highline

Hi Gavin

Hope all well despite these difficult times!

I just wanted to reach out re the above letter which was sent to you by [REDACTED], who has now left the Council.

I helped draft that letter.

Given the current situation, can you assure us that the agreement in principle to use the s106 funding in the attached (£400k) for the Highline next steps continues as planned?

Our view is that the Highline is an ideal 'recovery' project which we can take forward, with partners, after the current crisis ends.

If you can provide that assurance as soon as possible as we prepare our next steps that would be very helpful.

Any queries, do let me know.

Thanks

Sam
