Hi Patricia,

Yeah if I could have a contact name to confirm, that will seal the deal.

Thanks

Hi Patricia,

Thanks for trying. The query is from the Mayor's Office but they just wanted it clarified who owns the land.

Do you think someone from the Asset Operations team may know? Do you have any contacts there?

Steph from City Hall did say that if the info comes back after 1pm we can email/text her, so still need to keep going.

Hi Lorraine

In the very short time we have all I could find was the Mayor's pledge to support this
