Subject: Draft PID for West London Orbital work

This message has been archived.

Dear all,

Apologies for the time it has taken for me to circulate his paper. Attached is the long promised draft of the PID/funding request for the initial stage of work on the West London Orbital scheme. As you will see the proposal is split into four broad phases:

- 1 – review and update work to date
- 2 – further design development (GRIP 2)
- 3 – single preferred option (
