Subject: The Cut - Streetspace scheme near LAS HQ

Good afternoon team LAS

I am getting in touch to make you aware of a scheme to ban through traffic on The Cut. As you will be aware, The Cut is located near your main office on Waterloo Road. Can I please highlight that the scheme will allow all emergency service vehicles through and only bans general traffic.

Please find attached information on the scheme and our stakeholder letter. I would be very happy to arrange a meeting should anyone wish to discuss this further.

If you could let me know that you have received this, that would be very helpful.

Abbas
