And this one. I would suggest some of this will need to be redacted in terms of address emails and phone number.

Dear Gareth, Micheal, Mike,

Please see the attached letter, which details a change in strategy for ofo UK, and also informs of my departure as General Manager of ofo UK effective from the 31st July.

London, of course, remains a priority for ofo and [REDACTED] (cc'd) the incoming Head of Operations is keen to continue the good work ofo has begun in London.

Thanks for working with us so collaboratively, It's been a real pleasure working with you all.

Kind regards

[REDACTED]
