---

Never-mind, I have found the report.

Have a nice weekend,

Hi both,

I am conscious I have a couple of outstanding actions. My apologies for the delay.

I wanted to update you on a few of things.

- We will continue to work with these two boroughs and our existing borough partners to make sure our service is running well.

Is there an update from London Councils? I remembered you saying there was going to be a request for comment and opportunity to feed into the process. I know there are great changes afoot in the UK, however I'm keen to continue to progress the right regulation for London.

Many thanks,
