Thanks [REDACTED], was a valuable session. [REDACTED], good to be in touch – very happy to meet, though I am not in the office next week so it will probably need to be later in May. Let me know what works for you from Tuesday 22<sup>nd</sup> onwards?

Hi Michael and Mike,

I do hope you both had a nice weekend (it was hard not to as it was glorious!!).

Thanks for the meeting last week. It was good to hear how things are progressing and I hope you found it useful to see how things are going from our perspective. We're really keen to feed into the proceedings as we can bring some insight into operational considerations.

As discussed, I wanted to introduce you to a contact of mine, [REDACTED], who can provide a developed methodology for how regulations can provide an excellent grounding for good bike share. I'll let [REDACTED] pick things up with you.

All the best and let's stay in touch.
