Hi David,  
I hope you're well.  
Are you still going to Leicester next week? It would be good to arrange a time to catch up if possible. Do you want to meet for lunch after your panel finishes at 13:30?  
[REDACTED] was looking into getting their as well.

Thanks

Morning [REDACTED]  
Happy New Year to you ! I come in peace.  
[REDACTED] who do I need to call to get some of your bikes moved away from our Docking station at Wormwood Street (see attached picture).  
I understand the City have granted permission for bikes to have their journeys ending in the City but not for them to actually be placed. However that's down to you and the City but if you can keep them off our footprint it would be appreciated. May also avoid any negative images for you. I'm guessing the wind has blown them over.  
Aside from that hope its going well. Catch up some time soon (Leicester) ?

Cheers
