

NOTES

1. Do not scale from this drawing, work to figured dimensions only.
2. Dimensions are in metres unless stated otherwise.
3. All signs shall be in accordance with Chapter 8 of the Traffic Signs Manual, TSRGD 2016 and Safety at Street Works and Road Works: A code of Practice (2013) and TfL Temporary Traffic Management handbook.
4. Sign positions are indicative and shall be installed by a competent Contractor.
5. All signs should be located 450mm from the road edge and installed by a competent Contractor.
6. Signs shall be installed to minimize impact on pedestrians. This may require signs to be installed on posts in NAL Sockets rather than A-frame.
7. This drawing should be read in conjunction with other relevant drawings.
