Andres:

I have an update on timing for action item #3 below.  
I will be providing timing for the delivery of ROM estimates tomorrow morning (NYC time), not this evening as previously communicated.

Best,

Yes. Confirmed.

Just a heads up, I have a follow up meeting with a key stakeholder this evening at 6:30PM NYC time - so it will be EOD my time, perhaps early morning Tuesday London time.

I'd be grateful if you could ensure we complete action 3 below by EOB today.

Thanks and regards,
