Hi [REDACTED]

I am conscious that we still have Jo Bertram as the nominated representative for the Uber licence as the Licensing team have not been contacted directly to change this are part of normal BAU.

When we find out about changes to the make up of operators we ordinarily write to them to request confirmation as to who the Directors are (In this case that they want Jo Bertram removed) and who they would like the nominated representative to be.

I am conscious that the timing of this may prove confusing/misleading etc.

I was not around when we were notified that Jo Bertram was leaving so didn't see how it was communicated. If you have this confirmation (and it confirms Tom Elvidge is replacing her) we could potentially use

it as confirmation to make the changes without getting in contact. Are you able to provide it?
