David

We have repaired a large area of carriageway outside 137 Flaxton Road. Due to the depth of the excavation, we require this section to be closed for the rest of today to allow the material to cure. I have arranged for the road to be re-opened around 1830 this evening.

Regards

Shaun

Thanks Shaun

Will keep the buses curtailed to Plumstead Common.

Do you have an idea when I get buses back to line of route?

Hi David

Our contractors have made a temporary repair this morning. However, they will need to return tomorrow to carry out further excavations over a larger area, which will require the buses to either be diverted or curtailed.

Thanks Shaun

My apologies I thought I had used the correct details.

Our response team had already reported it and had a ref number as below.

Can you advise once dealt with so I can get buses back on route?

regards

Good morning David

I have arranged for our contractors to attend first thing tomorrow morning.

In the future, we'll be able to deal with these queries more quickly if you contact either myself or the Highways Maintenance team directly at [REDACTED] royalgreenwich.gov.uk

Good morning.

I am sure you are aware of the above, we have pulled the buses out of this location due to grounding.

Can you keep us informed as to when works are to take place and I can restore the bus service, as no doubt I will start to receive complaints?

regards

Hi Dave,

Just to make you aware I have had to pull the route 291 out of the estate and curtail them at Plumstead Common.

Please see attached photographs.

Buses are grounding when laden.
