

# London Buses

From first bus on  
Saturday 19 August 2023

# Route X26 becomes route SL7

From Saturday 19 August, route X26 is renumbered as route SL7. Please look out for the new number on the front of buses and on other travel information tools.

Route SL7 runs an express bus service between West Croydon and Heathrow Central. It serves the same stops as route X26, except the last stop at West Croydon has moved (about 175 meters). Alight at stop BB (in the bus station on St Michael's Road) instead of WN (on Wellesley Road). Some stops in Kingston, New Malden, North Cheam, Teddington and Wallington Green are renamed to better reflect their locations.

Buses on route SL7 will run an enhanced service every 15 minutes all day every day instead of every 30 minutes on route X26. Around half of the buses will have dedicated luggage space for customers travelling to and from Heathrow airport. Please make use of the space.

There are currently no other changes to the service.

Route SL7 is part of Superloop, a proposed network of express bus routes that would help improve connections and journey times between key outer London town centres and transport hubs.

For more information on route SL7 and Superloop, visit [tfl.gov.uk/superloop](https://tfl.gov.uk/superloop)
