Daniel

Thanks for your email to Kit, which he forwarded on to me. I look after transport for the Mayor.

We are aware of Uber and Garrett (the TFL Surface COO, cc'd above) and I meet the cab and minicab trades regularly. Clearly we want to be helpful; the issue is a bit more complex than it might appear bc of the way taxi and private hire licensing works in London

I think Garrett is probably best placed to explain where we have gotten to with Uber to date, and what the plan is - however as I say we are all keen to find a way forward that works for everyone

Garrett, perhaps we can discuss at this week's Surface 121, thanks

Isabel
