

Dear [REDACTED]

I am delighted to inform you that the following schemes have been approved for funding via the London Streetspace Programme.

Scheme Name	Funding requested	Decision (full/part fund)	Initial allocation	Reason for part-funding (if applicable – see below), and action required in order to unlock full allocation
School Streets programme	£121,000	PROCEED - FULL AMOUNT	£121,000	N/A
Low Traffic Neighbourhoods	£351,976	PROCEED - PARTIAL	£57,000.00	London Buses seek assurances regarding potential bus impacts at number of locations. Sponsor to confirm which elements are suitable for LSP funding.

Please note that where schemes are proposed to be partially funded initially, this is either because

- It is expected that the project's final costs will change following completion of design;
- or
- We require further information on the impact, costs or substance of a proposal, but do not wish to delay design and/or implementation;
- or

Some smaller elements of a proposal are not eligible for funding under the LSP, but the main elements of the scheme should proceed.

We are committed to working with Borough colleagues to fully realise your ambitions and will support your Borough to supply the additional information required to ensure part-funded schemes are delivered. I hope you understand that approving a scheme represents a commitment to this. You are encouraged to apply for the full scheme EFC via the borough portal – we will release the full funding amount as soon as required conditions are met.

Any schemes for which you have applied but are not listed above remain on hold, and will be considered again for funding in future allocation tranches.

I would be happy to discuss the above allocations with you in detail – please let me know a convenient time for this and I will set up a meeting.

Please ensure that this information is disseminated amongst officers and Members as required, or alternatively advise me of anyone to whom this message needs to be forwarded.

Kind regards,

**Ahilan Kanagasabesan**
