Subject: Ealing Boston Road funding reallocation change request
Attachments: Proposal for widening East Acton-chiswick pinch-point at end of Mansell Road W3; 02072021 Change request LSP Boston Road scheme.xlsx

Hi [REDACTED]

Please see attached change request for reallocation of funding from Boston Road to Acton-Chiswick scheme in order to make couple of improvements.

[REDACTED], so could you please let [REDACTED] know if you need any further information?

[REDACTED] Also, [REDACTED] and I spoke to [REDACTED] yesterday about doing some surveys on Fisher's Lane and Uxbridge Road. Since there is still some money left (£26500) is there a chance we use this to fund at least one of the surveys? Could you please speak to John about this next week?

Regards,
