Subject: LBWF LSP Application for funding

Dear Sam, John, Julie,

In response to the London Streetspace Plan - Interim Guidance, issued to London Boroughs on 15th May 2020, please find attached our funding application for LSP schemes for consideration.

The application has been split in to the three following categories with cost summaries for each category of scheme;

- Cycling Routes
- Low traffic neighbourhoods
- Reallocation of road space

An overview plan and scheme location plans are attached together with a materials pallet guide that details the types of materials we intend to use on the majority of the schemes. The costs provided are fully inclusive of all elements of the design, engagement and implementation processes and reflect the need to mobilise and deliver all schemes as soon as possible.

We recognise the need to ensure that all proposed schemes can be implemented quickly and can advise you that all schemes have the full support of Cllr Clyde Loakes, Deputy Leader of the Council and Environment Portfolio Holder.

Should you have any questions or require any additional information on any of the proposals please contact Chris Proctor or myself for further information. We look forward to receiving your feedback and working with on the delivery of the LSP.

Regards
